PURPOSE

The purpose of this policy is to outline to students, parents/carers and school staff Numurkah Primary School's expectations for homework and at-home learning.

SCOPE

This policy applies to students in all year levels and staff responsible for setting and monitoring homework at Numurkah Primary School.

DEFINITIONS

Homework is tasks assigned to students by teachers that are meant to be carried out during non-school hours.

POLICY

Numurkah Primary School acknowledges that homework should be tailored and adapted to suit the personal and developmental needs of students.

Teachers at Numurkah Primary School are encouraged to exercise their discretion in assigning tasks that are appropriate for their students and most likely to be meaningful. This may comprise of reading, mathematics or theme based projects.

Prep to Year 2

In the early years, the objective of homework should be to practise and consolidate the concepts that have been introduced during class time. It is also intended to introduce the concepts of self-discipline and responsibility and prepare them for the upper grades.

Homework tasks will build on concepts explored in the classroom and encourage students to use their initiative by gathering additional information or materials related to their current themes.

Homework in the Prep to Year 2 area is about consolidation of skills taught during the week and will mainly consist of daily reading, revision of sounds, basic sight vocabulary and spelling.

Students are generally not expected to complete more than 10 minutes of homework per day and no homework tasks will be assigned over the weekends or during the holidays.

Year 3 to Year 4

In the middle year levels, the objective of homework is to build on the concepts of self-discipline, responsibility and initiative to prepare students for upper school.

Assigned homework tasks will include daily independent reading and a one page differentiated literacy and numeracy task to cater for the range of learning areas.

Students are generally not expected to spend more than 15 minutes per day on homework and no homework tasks will be assigned over the weekends or during the holidays.

Year 5 to Year 6

In the upper year levels, the objective of homework is to build on the concepts of self-discipline, responsibility and initiative to prepare students for secondary school.

Assigned homework tasks will include 15 mins daily independent reading, along with a literacy, numeracy and P.E. based task that are based on guidelines set by the teachers. For example, literacy could be a choice of 5 minute writing, using selected words to write a descriptive paragraph, Big Talk topics or a book or character summary.

Students are generally not expected to spend more than 20 minutes per day on homework and no homework tasks will be assigned over the weekends or during the holidays.

SHARED EXPECTATIONS AND RESPONSIBILITIES

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Numurkah Primary School will support students by:

- advising parents/carers of homework expectations at the beginning of the school year and providing them with a copy of the homework policy
- encouraging parents/carers of early primary school aged children to read to and with their children for enjoyment
- ensuring that upper primary students use homework diaries to provide a regular communication between parents and the school.

It is expected that students will take responsibility for their own learning by:

- being aware of the school's homework policy

- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers

- ensuring there is a balance between the time spent on homework and recreational activities
- reading to them, talking with them and involving them in learning opportunities during everyday household routines and physical activity
- talking to teachers about any concerns they have about the homework
- attending the school events, productions or displays their child is involved in
- ensuring upper primary students keep a homework diary
- discussing homework with their child in their first language, if English is not the main language spoken at home, and linking it to previous experiences
- linking homework and other learning activities to the families' culture, history and language, linking with relevant services, clubs, associations and community
- ensuring there is a quiet study area for students to complete their homework tasks.

SUPPORT FOR STUDENTS AND PARENTS/CARERS

Teachers at Numurkah Primary School understand that students have different learning styles and interests and may approach learning activities and homework differently. If you are concerned that your child may not understand the homework tasks that have been set for him or her or is spending a long period of time completing their homework, we encourage you to speak to their teachers.
