

# House Mascots and Chants

During House Buddy sessions, the students have been making up some house chants/songs, flags and mascots for the house sports and swimming days.

The chant for Blue House is:

We are Blue House.  
We are the best.  
We'll try our hardest,  
To put you to the test.  
GO BLUE!!!

Blue House's mascot is a blue pom-pom character.

Gold House's mascot is a golden bear.

Gold House's chant is:  
Gold are the champions,  
Yes we are.  
Gold are the champions,  
We shine like stars.  
Come on gold!

Red House's chant is:

Extra, Extra, read all about it.  
Red is the best,  
No doubt about it.  
We're cool,  
We're tough,  
Come on red,  
Show your stuff!

Red House's mascot will be a red rhino or a red rabbit.

Green House's mascot is a tennis ball with a smiley face.

Green House has both a song and a chant.

Their song is:  
We're happy little champions,  
As green as green can be.  
We run so fast,  
We zoom straight past.  
Don't blink you mightn't see.  
Our teamwork is so strong,  
No other team will win!

Their chant is:  
Green House is the best.  
Yes, Yes, Yes.  
We'll never rest.  
Yes, Yes, Yes.  
We are the best because we're GREEN!

Every student had the chance to contribute their ideas. It took three weeks for the students in each of the houses to decide on these mascots, chants and flags.

All the house buddy groups had fun making their mascots, chants and flags during House Buddies activity sessions that are held every second Wednesday.

The flag designs will be made into full size flags and used on sports days and at the swimming sports.
